Have a question or something to say?

Txt 'Q' followed by a space and your question, query or point of view to 88020 throughout the day. Have you got a burning question that you want to ask or an idea you want to air? **Give it a go now!**

Help is on hand

txttools will have a stand in the reception area and will be on hand to answer your questions. We will also be demonstrating txttools LIVE through out the day. Staff present at the event are Steve Sidaway, Geraldine Bell, Michelle Craig, James Holden-Storey.

Showcasing txttools new features

Also on the txttools stand will be members of our technical team who will be demonstrating two of our new innovations - the Outlook Plug-in allowing you to send messages directly from your Outlook address book and txttools mobile our first fully functioning 'mobile txttools' which will work on all android phones allowing you to send messages quickly and securely to groups via your online txttools account. As ever these features will be free to all those with existing txttools accounts from December 2010.

Filming

We will be filming parts of the conference and would also like to interview delegates about their opinions and ideas - if you would like to appear in final video please take part in an informal interview for 2 minutes of fame!

Free trial accounts for all delegates :)

We will be issuing all delegates with a free trial account with 30 message credits to put what you have seen today into practice. Login details will be sent to your email address.

Enter our competition to WIN Amazon vouchers

We would like you to txt in the best ideas you have seen or heard today, txt 'EUREKA' followed by your entry and name to 88020 and you could be in with a chance of winning an AMAZON voucher. The 3 winners will be announced in the 16.30 session in the main room.
